BRIAN WALKER

Biography

Born in the summer of 1978, Brian has always had musical influence in his life. Both his father and his mother played guitar among other various instruments. Brian's first vocal experience was no different than most, in 1st grade choir class. It wasn't until his Junior year in High School where the school music director challenged him to join the choir as a class. That is where his voice was originally molded, and college and post-college is where his voice became polished.

Brian started playing guitar with his father in the summer of 1990. His father, being the classic rock enthusiast flooded him with the sounds of the "Beatles", "Billy Joel", "Elton John", "Led Zeppelin", etc. It took Brian a couple summers to get proficient at guitar. Then, there was no looking back.

However, his biggest accomplishment was in 2001 (a year after becoming a Youth Minister), when the Lord called him to follow in his footsteps. And likewise, that was the day Brian decided to dedicate his life to Jesus Christ. Since that day, he has walked with the Lord, and continues his passion of learning about our Catholic Faith.

Brian lives with his wife and 3 children in Allen Park, MI.

*"Brian is answering God's call by using his music to bring others to the faith and by bringing God's word to those lucky enough to hear him. "
Cathy Ghrist, DRE; Dearborn Hgts., MI*

*"Brian Walker has been given a tremendous musical gift. Many of the Christian songs he performed we were hearing for the first time. They are now the standard by which we measure others who perform the same music. Brian's music makes you want to raise your voice to God in worship and praise!"
Dan and Christy Czarniecki, Family of Faith Apostolate, Sacred Heart Church, Dearborn, MI*
